

PREZANTASYON NAN: SENPOZYÒM MIT-AYITI

MISSION

The Kletjian Foundation
builds collaborative
networks and supports
entrepreneurial leaders
to promote global
health equity.

VISION

We envision a world in which
all people have access to safe,
sustainable, and high-quality
health care.

SINCE 2012

FOCUS AREAS

RESEARCH & POLICY

We support ground-breaking research in the field of Global Surgery to better understand the challenges and influence policy decisions.

CAPACITY BUILDING

We help build the next generation of global surgeons both in the US and abroad.

SYSTEM INNOVATION

We facilitate collaboration between the likely and unlikely players in Global Surgery to explore areas for health system strengthening and innovation.

SUBSPECIALTY SURGICAL EDUCATION | Model for Augmenting Post-Graduate Academic Training Programs
